FOREWORD

This book is an honest attempt to portray, in word and picture, your past year at Milligan College. We have tried to record all phases of your campus life: classes, club activities, social events, and everyday experiences. But the record would be lifeless and incomplete if these pages did not reflect that force which we call the Spirit of Milligan. With the sincere hope that we have achieved these aims, we present your Buffalo of 1952.

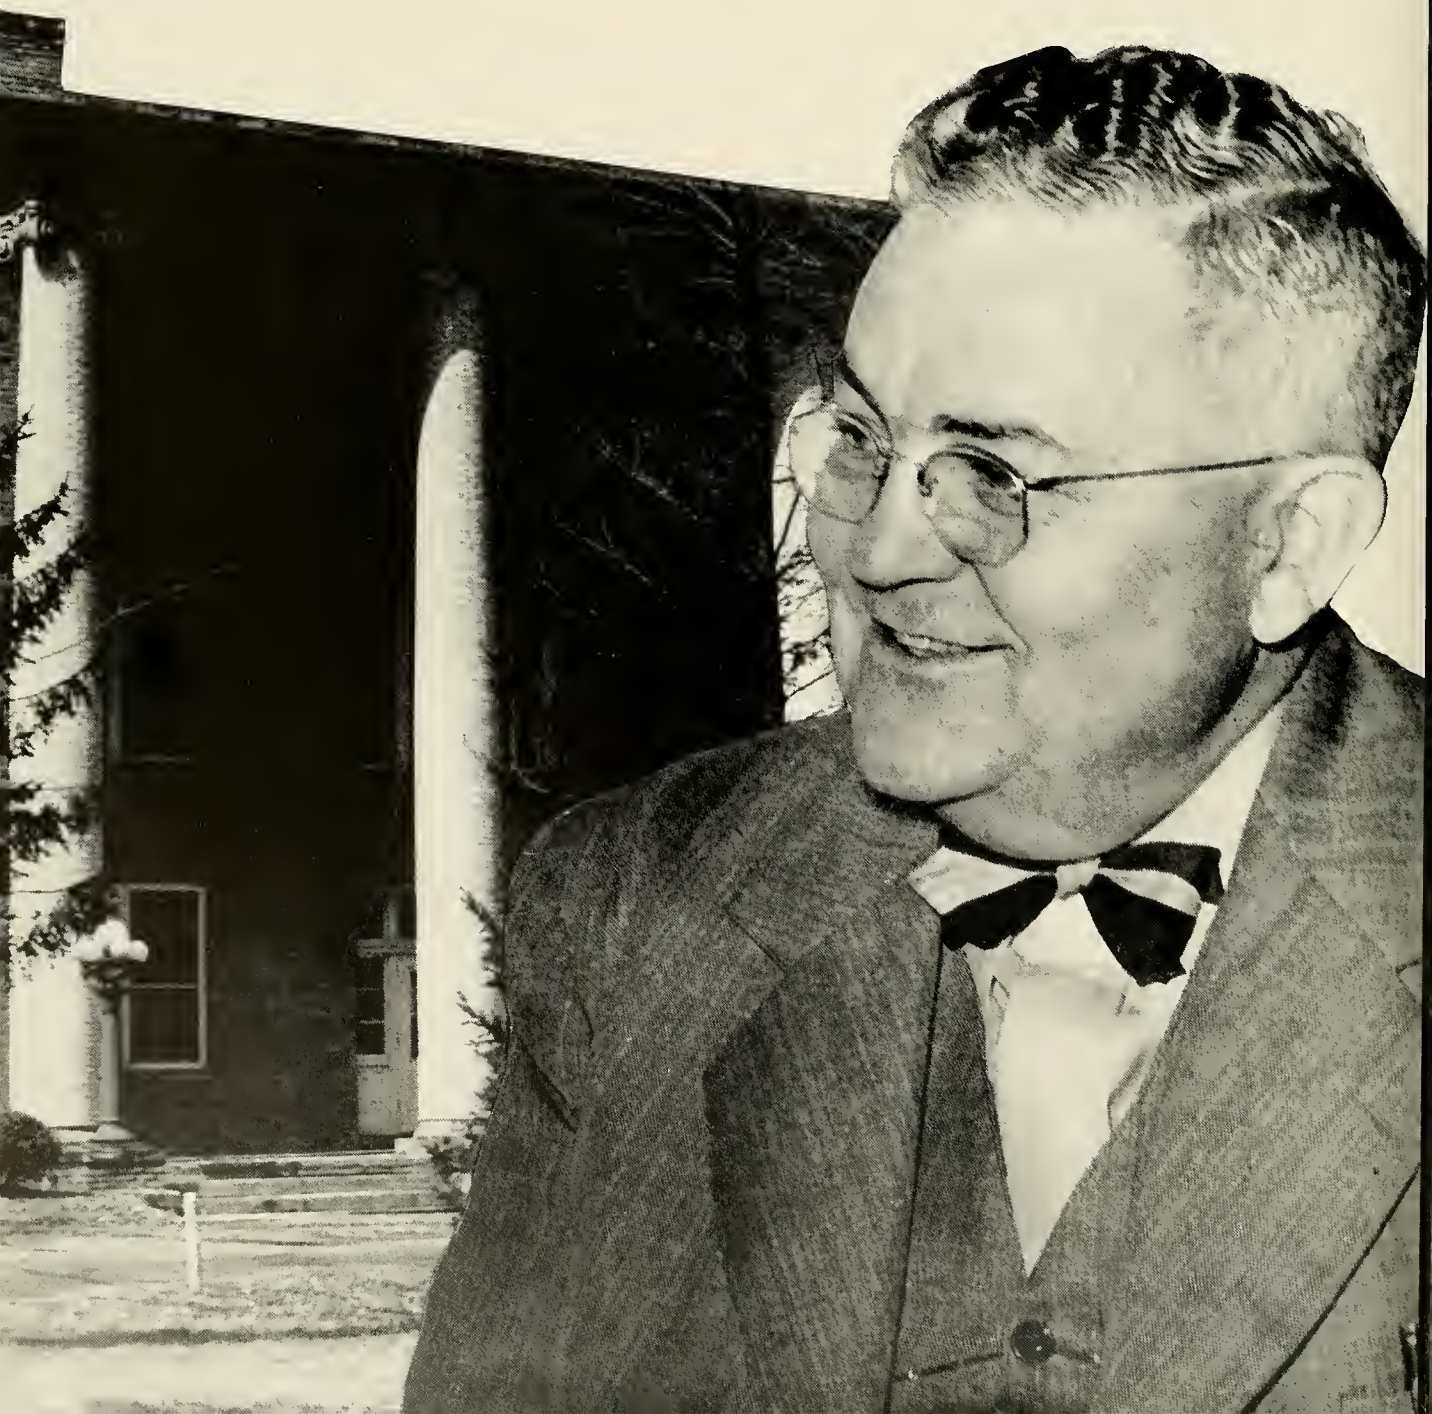
STUDENTS OF MILLIGAN COLLEGE

DEDICATION

In appreciation of years of untiring service and devotion to Milligan College and her Christian ideals, we affectionately dedicate the Buffalo of 1952 to Professor Samuel J. Hyder.

Professor Hyder has been a faithful member of Milligan's faculty for thirty-five years, a term unequaled by any other professor. In addition to serving as mathematics professor, he is also a trustee of the college.

We are proud to dedicate this annual to one whose versatility and Christian character are respected by faculty and students alike.



ADMINISTRATION

Dr. Dean E. Walker, President

THE ADMINISTRATION

During the course of this year, we students of Milligan College have come to appreciate not only the capabilities of our President, Dean E. Walker, but also the depth and sincerity of his concern for our welfare both as individuals and as a student body.

His wife, Florence, pictured with him here before their charming home, has also won our hearts with her graciousness and warm hospitality.

ACTIVITIES

IF IT'S MUSIC YOU WANT

"The King and I"—scene from "This 'n That."

THE CHOIR, 1951-52

This sixth year of programs and activities for the Milligan College Choir, has been a very busy one. Under the direction of Miss Ruth White, with Miss Janet Catlett as accompanist, the choir gave its first concert in November for the Girls' Clubs of America.

December proved to be a very successful month for the choir. Four concert programs were given, including a guest appearance with the famous Southlanders Male Chorus, in their Christmas Concert, held at Big Stone Gap, Virginia; and the presentation of "O Come Immanuel," the lovely nativity story in pageant and song.

Second semester brought the lively and popular variety show . . . "This 'n That" . . . and the regular Concert Tour, this year including the states of Kentucky, Ohio, Indiana, Illinois, Wisconsin, and Tennessee. Our choir then played host to the Southlanders in a spring concert, and gave several additional programs in this area.

BUFFALOES ON THE HARDWOOD

A quick glance at the record does not give a complete picture of the 1951-52 season. Although, it was one of the most discouraging seasons in Milligan's athletic history, the ability displayed by inexperienced freshmen and sophomore players makes Milligan's immediate basketball future look bright.

Leading scorers were senior Mack Wolfe, with 376 points, and sophomore forward Phil Roush, with 311. These two stalwarts were ably assisted by Bucky Harris, senior, and sophomore Sam Greer, of the starting five.

COACH

Coach Walker, former all-around athlete at Milligan College, returned to his Alma Mater last fall to take over the reins as head coach and athletic director. Since graduating from Milligan in 1948, he has received his M.A. from Columbia University, and has served two years as coach of all sports at Farragut High School near Knoxville, Tennessee. Although unaided by the large coaching staffs afforded his predecessors, Coach Walker has undertaken the task of rebuilding Milligan's athletic fortunes with all the necessary courage and spirit.

INTRAMURALS PUT EVERYONE

IN THE GAME

The intramural program under the direction of a Council selected by the Physical Education Club, proved highly successful this year. Planning the program so as to interest as many students as possible in some form of healthful recreation, the Council sponsored a variety of activities for both men and women. The men's program included football, basketball, swimming, tennis, bowling, horseshoes, volleyball, and table tennis. The women's program featured softball, basketball, badminton, tennis, horseshoes, table tennis, and swimming.

The enthusiastic response of the student body, and the valuable experience obtained by the Council members themselves, gave the intramural program an outstanding place in the Milligan sports calendar of '51 and '52.

FOUNDER'S DAY

Some of the most unforgettable moments of the school year are ours as a result of Milligan's first Founder's Day. Students and Alumni alike entered wholeheartedly into the activities of the busy day, gathering finally around the festive banquet tables in Cheek gymnasium to pay tribute to the men and women who have helped to shape the destiny of Milligan College down through the years.

The selection of a Founder's Day Daughter, from among five lovely candidates, climaxed the memorable evening. Miss Mary Lou Oakley, a sophomore from Chicago, Illinois, sponsored by the Christian Service Club, won the coveted honor.

We are privileged to have shared in the initiation of this new and promising Milligan tradition — Founder's Day.

MAY DAY FESTIVAL

Centered upon the various kinds of music that America knows and loves best, the memory of the 1952 May Day Festival will bring pleasure as long as a well-known tune is still able to stir the listeners heart. Folk music, classical treasures, South American rhythms, and familiar melodies all found expression on this occasion in the royal presence of the King and Queen (chosen from the Senior Class by the entire student body) and their Court.
